Mrs. JACK C. HARPER, 534 Monssen Drive, Dallas, Texas, advised that shortly before the interview, she had received a telephone call from her husband, Dr. JACK C. HARPER, who instructed her to furnish two 35 millimeter color slides to a representative of the FBI.

She said these color slides allegedly depict a concave photograph and a convex photograph of a piece of bone allegedly from the skull of President KENNEDY. She said this piece of bone was found by her nephew, BILLY A. HARPER, near the site where President KENNEDY was assassinated.

~~Mrs. HARPER furnished these two slides for the use of the FBI and stated her husband requested they be returned to him.~~
