technology and x-ray technology is found as an insertion in Appendix 2. Data regarding Canadian medical schools and data regarding schools of public health is also included.

Humes Made Medical Affairs VP

St. John Hospital, Detroit, announced the appointment of Dr. James J. Humes to the newly created position of Vice President for Medical Affairs in the new corporate structure of the hospital. Dr. Humes joined the staff of Saint John in July, 1967 as Director of Laboratories and will continue to serve in that capacity.

A native of Pennsylvania, Dr. Humes is a graduate of the Jefferson Medical College of Philadelphia and served for 22 years in the US Navy Medical Corps. A veteran of service in several military hospitals in this country and overseas, Dr. Humes' assignment, prior to his retirement was well known as Director of Laboratories and Executive Officer, Naval Medical School, National Naval Medical Center, Bethesda, Maryland. On the occasion of his retirement he was awarded the

Legion of Merit for outstanding services.

Dr. Humes is a member of the American Medical Association, Wayne County Medical Society, American Society of Clinical Pathologists, College of American Pathologists, Michigan Society of Pathologists and currently serves as President of the Association of Clinical Scientists. He also serves on the staff of Wayne State University School of Medicine as Voluntary Association Professor of Pathology.

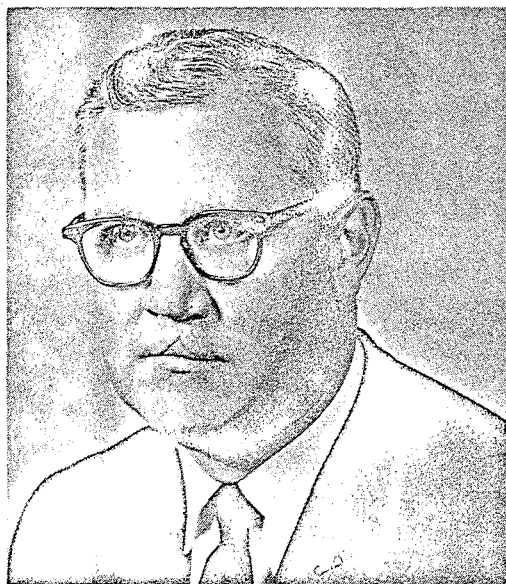

In his new position, Dr. Humes will coordinate the professional activities of the Saint John Hospital Medical Staff and serve as a member of the hospital's expanding Board of Trustees.

O. A. Brines Fund Appeal

A special appeal for contributions to the Osborne A. Brines Memorial Fund for the Education of Medical Technologists has been sent to all members of the College of American Pathologists as an enclosure with their mailing of the *Pathology Daily News* from the Fall meetings. No fellowships to medical technology workshops were awarded at the recent Miami meetings because funds were too low.

The last awards given went to five teaching supervisors and instructors attending last Spring's Commission on Medical Technology workshops in New Orleans. Application for awards, which consist of travel expenses plus \$75 in cash, not to exceed \$250 total, must be accompanied by a letter of recommendation from the supervising pathologist.

The winning Medical Technologists at the New Orleans meetings, and their recommending pathologists were: Miss Eleanor Bonner, Mountain Lakes, New Jersey (Wm. G. Bernhard, MD); Vincent Thomas Cascio, Galveston, Texas (Elwood E. Baird, MD); Percy H. Deal, St. Paul, Minnesota (Kevin M. Lawler, MD); Mrs. Hannah J. Depczynski, Sad-

James J. Humes, MD, recently appointed Vice President for Medical Affairs and member of the Board of Trustees in the new corporate structure of St. John's Hospital, Detroit, Michigan.
