

Phone - call 8:30 pm Monday 2/10/69

Tom Bethell - Alcock suggested he  
leave town, called ask for  
advice - Strategy is prevent  
defense re-cross-exam on  
grounds they had names  
long in advance - entrap  
Deymond etc into perjury (via  
protecting TB) & keep TB off stand  
to testify no-confidence in DA case.

Agreed, his effort in getting  
info to defense would be wasted  
if he now leaves - Should immediately  
warn defense not try conceal  
source - Have frank talk w/  
Alcock - for to call him
