Dear Sylvia,

The new motions referred to are not expected to delay the trial.

I had to return to N.O. sooner than expected because George Lewis, the man I am writing a book about, died here on Dec 31. I shall now be here through the trial, and will try to make a visit to NY in March or April.

Let me ~~if~~ know if there is anything I can do down here.

Best wishes,

Toms

P.S. Just got advance copy of Flammonde's book — about what I expected; sheds little or no new light.
