

11/26/68

Dear Tom -

See pages 24-26, the Maury
Island mystery. Thanks to a
purely random conjunction of
circumstances, I learned last
night that the real identity of
"Jackson" (or "Richards") is
Fred Lee Crisman.

Seems he is now reaping
some poetic justice . . . ?

Hastely,

Sylvia

P.S. No need to return the book
perhaps when you come to NYC.
