

Dear Sylvia,

Thank you for your letter of 9/29/67, also the copy of the Wershba interview.

Also received copy of TMO today, with article in it re Garrison, (by you?)

I enclose a copy of a book recently published here. Atrociously written, attempting to steer in the middle of the road.

Re your inquiries:

Thomas Hill: CE 1322 Vol 22 p. 500. 385 Concord Ave Belmont Ave, according to a John Birch ally in Dallas is Welch's home address.

Number PE 8-1951 in Vol 16 p. 40 (Oswald)
Vol 25 p 252 (Ruby)

In haste, will write in more detail later,

best wishes

Tom.
