

Call from Tom Bethell Saturday 12:30
10/14/67

Where is ML? has designations in
much same way as W. Gurnick. Tom
says never told me WG was "Chief"
I agreed send letter retracting his name
(Interrupted by door bell -
I called her back)

Lipton, one phone conversation
pro - G

Shelan saw Pappin, Hefton, Lane, Turner
WJL read him ^(Lipton) some classified material on Ferris
It made notes, gave it to ML to give JG
who never gave it to JG, even in midst of a
conversation re Ferris classified documents.

Shelan, re big book Dec, story really
originated @ Jack Anderson ~~-----~~ but the
broken by Shelan ~~-----~~ thinks Ph will credit the
critics for killing the WR
kindel in DA lost work - on basis Thornbury allegation to
WHO says domain transfer

Y program should be in context
of Decl on Rights Child — instead of 25.5
new consultant = narrow Top R, no use
except increase staff BSA.

Finally, 1965-7 program should be governed
only provisionally = subject to
adjustment in light of new role 1966.

Uganda grateful, happy,
approves & has
no criticisms
