Mr. Myron Kolatch
The New Leader
7 East 15 Street
New York, N.Y.

Dear Mr. Kolatch,

The recent articles by George and Pat Nash, Thomas Buchanan, and Leo Sauvage were most interesting and, in my view, a real service to the public. Criticism of the Warren Report has been almost exclusively favorable, and its serious shortcomings have been ignored, except for the articles in the New Leader and a handful of other publications. I realize that you may not wish to continue featuring articles on the Warren Report. Nevertheless, I am taking the liberty of submitting the enclosed critique, prepared after long careful study of the Report. It could be shortened, of course.

I will appreciate your suggestions. A stamped return envelope is enclosed.

Yours sincerely,

Isabel Meagher Davis
