Dear Mrs. Meagher:

Enclosed is a receipt for your donation of \$5.00 to the Citizens' Committee of Inquiry.

Your support of the investigation this committee is making into the double assassination of November, 1963 is greatly appreciated. The assistance of many people like yourself is helping us reach the millions of Americans who have grave doubts about the plausibility of Oswald being the "lone assassin" he is charged to be by the Dallas police. On the basis of the evidence available to us, we concur in this healthy scepticism, and will do all we can to channel it into a throughgoing investigation to discover the real assassin(s).

We have added your name to our mailing list and will inform you of our future activities.

Sincerely yours,

D. Griswold
