Dear I.F. Stone,

As you will see from the enclosed letter, I was a good friend of Albert Deutsch. I know that you were one of his dearest and longest friends, as I hope I was too. For that reason, may I ask you to read the enclosed letter with care and impartiality. Whether or not you care to reply to it, I hope you will be good enough to return the letter from Albert Deutsch, which means a great deal to me.

Sincerely yours,

Sylvia Meagher
