Dear Sylvia--

I suppose I simply don't understand accounting language. Having gotten what I thought was a note saying the request for your check hadn't been received yesterday, today the check arrived - crossing the new request in the mails, probably at the corner of 49th Street and 11th Avenue, by my best calculations.

Anyhow, here's a check for \$750.00, as the final payment on the advance for ACCESSORIES AFTER THE FACT. Enjoy.

Ever,

Robert M. Ockene
