Dear Mr Ockene,

I thank you for your letter. I would certainly be very interested in reading ACCESSORIES AFTER THE FACT: The Warren Commission etc. and it is probable I think that I would be able to make some comment on it which might be quoted on the jacket. I shall be in Ireland for the summer and perhaps you would send the galleys there? My address is Whitewater, Howth Summit, Co. Dublin, Ireland.

I heard Mrs Meagher speak at a debate on the Warren Report in the Village where she and Mr Sauvage confronted two of the Commission's counsel. I thought her contribution to the debate a very effective one.

Yours sincerely,

Eileen Sheerin
