Dear Mr. Aronni-

A while ago, Sylvia Meagher suggested that I might ask you to make a brief statement about **ACCESSORIES AFTER THE FACT** which we might use on the book jacket and in advertising. The comment should be as concise as possible because of space limitations.

I hope you will be able to do so and will look forward to hearing from you.

I was pleased to meet you at Sylvia's and hope to see you again soon.

Regards,

Robert M. Ockene
