Dear Bob,

I have been thinking about the Appendix ("The News Media and the Warren Report") and the fact that it does not include any mention of the CBS "news inquiry." Thompson's book will have an appendix reviewing the CBS program. Do you think we could add a footnote at the very end, as set forth on the enclosed xerox of page 464 of Accessories? If it can be done, I think it will be useful.

Also enclosed are xerox copies of the following pages:

22 (line 5, one word is changed)

302 (new paragraph inserted in the footnote)

375 (line 2, one word is changed)

436 (final paragraph is revised)

Yours faithfully,

Sylvia Meagher
