Dear Bob:

(1) Don Preston of Geis Associates 130 East 56 NYC 10022 would like to receive a review copy of ACCESSORIES, when available, and offers to send you in exchange SIX SECONDS IN DALLAS, Tink Tempson's book (indexed by me).

(2) Who is D.W. Bregan?

(3) Does Bobbs-Merrill maintain a press-clipping service on its books? If not, any other system of collecting reviews, articles, etc?

(4) When you have a free ten minutes, I would like to know about foreign language editions--is it for the foreign publishers to take the initiative? or does Bobbs-Merrill try to promote interest in European or foreign editions?

(5) I hope that your relocation ordeal is over now and that you are just fine and happy in your new quarters. Miss you.

Yours sincerely,

Meagher
