

February 6, 1968

Dear Mr. Stiefvater--

You may quote my letter of January 26 if you reproduce it in its entirety. Should this not be agreeable to you, I would like to know what portions you wish to quote, and the exact context in which those quotes will appear before granting permission.

What information about herself Mrs. Meagher wants made public appears on the jacket of the book.

Sincerely,

Robert M. Ockens
