Dear Mrs. Meagher:

Many thanks for your prompt response to our letter, for the names of other prospective donors, and for your check.

Anne Thinesse has already donated, but we're contacting William Crehan now.

We know Bob has resisted the suggestion of contributions to cover the expense of transfusions, but he has agreed to our proposal that friends may contribute both time and money to the regular solicitations and reminders that are planned. This isn't likely to be a \$50 affair at the outset, but postage and printing mount up as we try to enlist sixty regular donors and then send them periodic reminders.

We'll hold your check for the time being; but please let us know if you want to apply it to "operating expenses" for the cause when you return. Meanwhile, thank you again.

Sincerely,

M. J. Gladstone

*Please cash the check and use it.
Just let me know as soon as you
need more. And forgive the form
of this very hasty reply - too hectic
for a proper letter. Many thanks;
