

Dear Bob -

7/15/69

If I had the time and strength I would go and buy a picture-postcard to send you. But as it is, you will have to accept an unillustrated greeting from Boston.

Just to say that I am thinking of you, hoping you are continuing to improve, and maybe even back to the office? Love to you and Ann, will call upon return.

Sylvia

P.S. Will not attempt describe the Boston Health Assembly - I don't have the talent. It is half farce, half nightmare.
Je vous en prie. Je parle français.
