

4 December 1969

Dear Ann,

A beautiful light has gone out
and left us in darkness.

It is a terrible grief and
desolation for everyone who
was close to Bob; for you,
more than any other person,
the anguish is cruel, I
know.

I am sick at heart, for you
and for all of us. If I
can do anything, please
tell me.

With deep sorrow,

Sylvia Mearns
