Dear Shelley,

Success! I found the story by searching the NY Times Index at the Library this morning. The date was 1/1/47, Olga Trapani (ex-Mrs. A. Rocco) was shot on the BMT subway Times Square Station by a gun camouflaged as a camera in a Christmas package, by P. Lusk, alleged dupe of A. Rocco (Larue) in revenge plot against his former wife. Lusk was taken into custody but released some days later. Rocco was traced to Gilboa, New York, where he was shot to death on 1/7/47 after refusing to surrender. Olga Trapani lost a leg in the shooting, later sued the City for negligence on the part of the Transit System.

Thanks again.

Cordially,
