Dear Sylvia:

Thanx for the interesting magazines.

Are you planning a visit up here? I'd like to talk to you about reprinting "Backfire" in TMOG- I don't know when I can get around to re-writing it- and wonder if a slight revision would be enough.

Best,

Dear Shelley,

I have not phoned you because things have been in a state of flux...I am in the midst of housepainting and related chores, neglected for the last four years...Arnoni has returned but is going into the hospital for some diagnostic tests...the September issue seems out but perhaps it can be done (even more appropriately) in November, which will be the 5th anniversary of Dallas. Will be in touch as soon as things jell a bit more, and hope you will excuse my dilatory tendencies...but if you have experienced housepainting, as you mentioned you did, you will understand and sympathize....Warm regards,
