

**COMMISSION FILES PRINTED AS EVIDENCE**

In the exhibit is a 30-page, handwritten listing of these Commission files parts or all of which were prepared by the Commission as exhibits in the 24 volumes. It is headed, "Prepared by Mrs. Riley, National Archives, May 1951." The very last thing the Commission printed (March) is the Exhibit No. 113, entitled "Commission Numbers Assigned to Previous Commission Documents." The Commission called its files "documents." In the case of those printed, it is not the entire file, but part of it that is referred to in the printed tabulation. Some of the files are quite large.

So, parts of the same files can be different exhibits. In some cases, the same pages were entered into evidence with different exhibit numbers. Thus, parts of the same files are found in 82 different exhibits.

For greater clarity, this list has been typed. The first number is that of the file. Those following, of the exhibits.
