Dear Sylvia:

Just a note of sincerest thanks for your participation in the Conference. Except for the "crazies", I thought it went very well.

⊗ Enclosed is an unusual souvenir which was donated by Ray Baker and which may be quite valuable some day. It is an envelope with three Kennedy stamps postmarked May 29, 1964 (when first issued) and November 22, 1964 and November 22, 1973. Save it and we'll give it another treatment on the 25th Anniversary!

We may attempt to formalize and publish the remarks of speakers in a paperback. If so, we'll send you a transcript and instructions. Won't cross that bridge now. Again thanks.

Looking forward to seeing you again soon.

Warm regards,

Burd
