Edema = swelling

unlikely fallen out of

JFK or Copmally?

Is it a phoney?

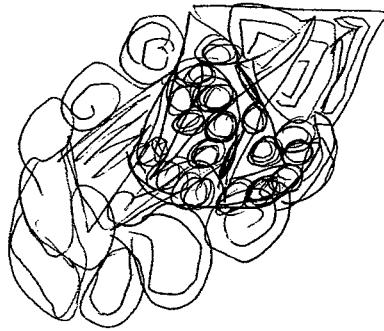

EW, yes, likely is a plant.

JT Transit?

CW Can't read a conclusion
from the study, finds
paid not tracked no
sections taken - It
could fit entry back
transit thru neck -
exit at front of neck.

JT Lee Winfrey quoted
CW brain not
available because right
show 2 bullets JFK
brain, what basis?

CW fucked accurately but out
of context.

It is really odd

how T Earl Ray

Sirhan and

Bremer are so
obliging ~~to~~.
