Dear Jim,

Thank you most sincerely for your letter of 19 February 1973 and for the xerox copy of the Annotated Bibliography compiled by Professor Wrene. He has been exceedingly generous toward my work. When you are next in touch with him, please convey my appreciation and pleasure.

I would be gratified if xerox copies or reprints of the Bibliography could go forward to some of the other authors and particularly to David Belin, Jim Bishop, Renatus Hartogs, Lattimer, Kaplan, Epstein, Lane, Schiller-and-Lewis, Albert Newman, and John Sparrow --which you may notice is tantamount to a list of my least favorite colleagues. I would be willing to underwrite the xerox and mailing costs up to, say, \$40 or \$50, if the CIA found it possible to make the distribution.

With renewed thanks and kindest regards to you and to Bob Smith,

Yours faithfully,

Sylvia
