

Gale What reason to reopen?
What hard cell facts?

BF whole low assumption
depends 3 shots max
We have Russian returned
to show 4-5 - or 6 shots
probably 5 - which shows
was a conspiracy

Most don't believe WR but
feel nothing can be done
If one WR member comes

→ LBT almost did
frustrate Russell but he died

Gale Still involved MLK?

BF Yes I say J.E. Ray in court
He's been denied a trial
since he plead guilty
under most unusual
circumstances Will take all
way Supreme
I was in Ct of A Ten
the Ten Supreme
