Dear Dick:

Sylvia Meagher has kindly forwarded to me your comments re the Walker bullet matter in your letter to her of April 12, 1971. All your comments and suggestions are excellent, and I do agree that the subject needs further investigation.

I enclose a copy of a memo that a law student named Mike Clark (G.W.U. here in Washington) helped me put together a few weeks ago. It deals with the bullet and several other items of evidence at the Archives associated with the Walker incident. I have previously sent copies to Sylvia, Paul Hoch, Jim Schmitt, Harold Weisberg, Arch Kimbrough, Mary Ferrell. As you may know, I'm still relatively a newcomer in this business and haven't met or corresponded with all the experts yet, so please forgive my omission in not sending you a copy earlier.

I hold no proprietary feelings on the information at all, so please go ahead with whatever efforts you feel appropriate. In my present capacity with the Committee, I am trying to stimulate and coordinate research activity. Probably there will be some duplication, but this need not be harmful. I intend to have Mike Clark do further work here in Washington, with my own assistance from time to time, so I'll have him get in touch with you as well as Sylvia.

Whenever I can, we'll follow up on photographing the bullet at the Archives, and the other matters you mention. I'll ^{signed} _____
keep you posted and will look forward to hearing more from you. cc: Sylvia Meagher (Robert P. Smith)
