Dear Miss Meagher:

Harold Weisberg has suggested that I send you the enclosed summary of recently declassified complete CD's. This list was hastily compiled a couple of weeks ago and has since been made incomplete by a supplemental list of declassified complete CD's which the Archives has subsequently circulated. However, I hope it may be of some assistance to you.

Please accept my apologies for the poor quality of the Xerox copy enclosed. Our machine has begun to smear so badly that I am going to urge we sell it to one of the many government agencies which seem to have a particular need for this type of service.

Best regards.

Sincerely yours,

Jim Lesar
