This is a list of people who have been publicly heard in the Warren Report controversy. Names, addresses, and phones given where possible, and some description of their position.

We could round them up, now that about a year has been raging in this controversy, and in view of the New Orleans revelations in the assassination-plot theory, ask them how they now stand; or what else they can contribute.

Mrs. Weadon. How you are other thoughts if you have no idea of doing your own rebuttal.

If you want to read no are material. Please be assured it will be given immediate attention -  
C. G. Weadon
