Thanks so much - This is terrific -
Steinbaum called Ray last night - said his desk
was piled high and he hadn't had a chance to
go through it - Reassured Ray that they fully
intended to go through with the forum starting with
June issue - Ray asked if you had seen
him while he was in New York and he said no
but that he wished you had - he wanted to meet you -
I got a notice from "Discussion Unlimited" in today's mail
