CHICAGO, April 6 (AP) — A
suit charging the National Ar-
chives in Washington with sup-
pressing documents concerning
an alleged plot to assassinate
President Kennedy in Chicago
was filed today in Federal Dis-
trict Court.

375-5741

A legal researcher, Sherman
Skolnick, contends in the suit
that the archives are withhold-
ing information that shows Mr.
Kennedy died not at the hands
of a lone assassin but as the
result of a conspiracy.

Radio Station WCFJ here,
which aired the story before
the suit was filed and worked
with Mr. Skolnick in preparing
the action, said the suit "is be-
lieved to be the first in the
nation challenging the authority
of the archives to withhold
information about the Kennedy
death for 75 years."

The Warren Commission, ap-
pointed by then President John-
son to investigate the assasi-
nation, said that Mr. Kennedy
was killed by a single man, Lee
Harvey Oswald, and that it
could find no evidence of con-
spiracy.

The suit asserts that five con-
spirators planned to kill the
President at the Army-Air Force
football game in Chicago Nov.
2, 1963. When the President
canceled his appearance at the
last minute because of a cold,
the suit continued, the assasi-
nation attempt was rescheduled
for three weeks later in Dallas.

The suit states that "less than
an hour before the President's
scheduled arrival," a lithogra-
pher was arrested in Chicago
for a minor traffic violation. It
said the man, one of the alleged
conspirators, also was charged
with carrying a concealed
weapon after policemen noticed
a hunting knife on the front
seat of the car.

Mr. Skolnick contends the li-
thographer, Thomas Arthur
Vallee, "was a double for Lee
Harvey Oswald." Mr. Skolnick
said recent efforts to trace Mr.
Vallee's whereabouts were un-
successful.
