

SG Appeals to Mr. Roshchin

Lay off

Laos.

Turn the screw once more

And there'll be chaos.

Enough of cadillacs

And wasted funds in Guinea.

Take back your roubles

And let's call it fini.

Call off the vendetta:

For worse or for better,

I'll have the next rhumba

With Patrice Lumumba.

Summary, Debate on Item 50 (Section 3)

We've a problem with turnover

And also one with Turner

We have A.C.A.B.Q. cuts,

And Cutts, and to-the-quick cuts.

We have motions for a ceiling

~~XXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXX~~

~~XXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXX~~

~~XXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXX~~

And objections from the floor

If we get a sinking feeling,

Well, our problems are galore.

We have agonized reaction

To the estimated taxes

And split up in two factions

Is the penny-pinching-axis.

We have scorn and accusation,

We have passionate defense,

We have NATO-domination

--We lack only common cents.
