Professor John Hollander  
Yale University  
New Haven, Connecticut

Dear Professor Hollander,

We are all indebted to you for restoring Darryl Click to History, and for elevating the literature of the assassination from the uninspired fiction from which you quoted to the higher plane of art. I shall say soft nightly prayers that you will turn your talents next to Helen Markham, Howard Brennan, Jesse Curry, and other exotic citizens immortalized in the Warren Report for their exemplary contributions to the neatening of the case.

With thanks,

Yours sincerely,

Sylvia Meagher
