(D.A. says, he's a Jolly Clean Fellow)  
Bagert, Braniff, O'Hara--Jurists,  
Hard to figure who is purest,  
Code and sewer, grassy knoll  
Up and down the Harris poll  
Zapruder film, Clinton Wheat,  
O the Headlines, they are sweet  
Turner, Penn Jones and Mort Sahl  
Giant does not lack for gall  
Dulles, Helms, and LBJ  
Emissaries from RFK  
Double, double, toil  
And double Oswalds, trouble  
For the Jolly Green Giant  
When Law prevails, and he's the client

To Garrison, nee Earling Carothers  
Specter and Henry Wade are brothers  
Under the skin, his veritable kin  
And fellow-servants of the Court  
Warren gives daily thanks to Him  
Who spared the life of the Report  
All hail Garrison, Big Jim  
Famed from Minsk to Mauritania  
For paranoid megalomania

A-hunting, yes, a-hunting he will go  
Let bugles sound the daily subpoena  
Conspiracies may ebb and flow  
And minor misdemeanor  
But the mortal combat of the lone D.A.  
Is pledged against the C.I.A.  
Ubiquitous, iniquitous, and  
Never inconspicuous, Jolly Green
