Bottom of page 49:

Third, the December 9 FBI Summary Report could not possibly have gone to press until <sup>28</sup>at least eleven days after the autopsy of November 22.

Footnote 26, pages 210-211

The December 9 FBI Summary Report includes information <sup>obtained from</sup> ~~given~~ by Marina Oswald on December 3 (see Appendix A, page 186).

Footnote 24 on page 212

The 26 volumes of supporting evidence were not released until the end of November 1964, about two months after the Report.

...yet the discrepancies in Mrs. Oswald's testimony were not satisfactorily resolved.

Page 80, 1st sentence of paragraph 2, is incomplete:

An investigation in which expert testimony was ignored, two out of the three major witnesses were never questioned, and the working hypothesis was maintained despite the development of contradictory evidence can only be considered.
