Dear Aaron,

Ed suggested that I should send you the enclosed three press clippings: (1) my letter to the editor in the Washington Post of 19 June 1966, which is my only copy and which I should like to have back in the original, with one or two photocopies if possible; (2) AP story in Fresno California Bee 8 June 1966, of which Ed would like a photocopy and I would like the original back; and (3) Paris Texas News of 15 June 1966, of which I would like the original back.

With kind regards,

Yours sincerely,

Sylvia Meagher
