"Behind the W-R-"

HD - almost 2 yrs WC = WR = LHO alone
After WR as before, doubters

Compelling new books, EE (shows)

Challenges findings & methods

What led you to your conclusions

& do your methods extend scrutiny -

Sensational - wild Warren

suppress for national interest

EE, I don't believe Chief J & consciously
suppress evidence - Tamm

Complex - Problem was in

JF process. Their conclusions
were not as definite as press

reported - I think they

promoted LHO was the
assassin but

may have been a second

2 gun - interval between

1st 2 shots

I find both men were hit by
separate shots - and the
FBI reports (?) said as much
(Commercial)
