EE met Arthur Goldberg at party last night - AG said,  
if the WC did not dispell the rumors, you were  
right to criticize them !!!!

Met also very high-asses in Dept of Justice Criminal Branch (over)

with second D of J high-up (under Morgeath?)

- both said, absolutely impossible that FBI  
made any mistake on wounds,  
logically impossible FBI did not  
have autopsy report, considered  
it purest hogwash to claim error or  
(not having access to autopsy report.  
(Said all that to Jones Harris)
