Dear Aaron,

Thanks for the copy of the Kihss stupid letter and for the three returned press clippings. Still to be returned are the following clips:

6/19/66 review by Sherman Shore in Winston-Salem paper
6/22/66 Mabley, in Chicago Sun
date unknown " " " "
6/22/66 Woman's Wear story
6/23/66 Brooklyn (NY) Times story

It is very disappointing that there has been nothing in the newspapers about the Sibert/O'Neill report or even the Secret Service document on Hudkins/Sweatt. Can't something still be done?

Warm regards,

Sincerely yours,
