

2 October 1966

Mr. Aaron Asher
Viking Press
625 Madison Avenue
New York, N.Y. 10022

Dear Asher,

I wonder if you could find out from Bantam Books the source of the Senator Fulbright's statement about Inquest which is reproduced among the quotations from book reviews in the Bantam edition? I'd be very grateful for the information, as I have been unable to track it down.

It was good to meet you in person the other night.
Best regards,

Sylvia Meagher
