Dear Sylvia,

Thanks very much for the helpful suggestions you offered in our recent phone conversation prior to my interview with Epstein. I thought you might be interested in seeing my hastily-written up notes from the interview. (enclosed) The review, of about 1,600 words, will run in the Phoenix next week.

We're on top of this latest story from the ex-CIA man who testified before the HSCA that Oswald was on the CIA payroll. We've obtained a 20-page statement the fellow has written on the assassination and we're interviewing his attorney this afternoon. We expect to be able to talk to Wolcott directly at some point.

Best wishes.

Sincerely,

David Williams
