Under date of January 10, 1964, the FBI Laboratory advised as follows concerning a document examination requested by the Dallas Office:

Specimens received 12-30-63, and 1-3-64

- Q350 A      Airmail envelope addressed to the Voice of America postmarked Habana, Cuba, 6 P.M. DIC 3 1963
- Q351          Accompanying typewritten letter headed La Habana 27 De Noviembre 1963 bearing salutation "Senores" and ending with the typewritten and handwritten signature "Miguel Galban Lopez"
- Qc352        Xerox copy of an envelope postmarked "Habana Cuba DIC 3 6-PM 1963" addressed to "Sr. Editor Diario De New York Daily of New York (Newspaper) New York, N. Y. (U. S. A)"
- Qc353        Xerox copy of a letter dated La Habana 27 de Noviembre 1963 bearing salutation "Senor Director" and ending with the typewritten signature "Miguel Galban Lopez"

Result of examination:

It was concluded that the typewriting on Q350A through Qc353 was prepared on the typewriter used to prepare specimens Q232 through Q235, previously submitted.

The envelope Q350A is the same kind as the envelopes Q232 and Q234. The envelope Qc352 is similar to the other three envelopes. The paper of Q351 is the same kind as Q235.

No indented handwriting was found on Q350A and Q351.

It was concluded that the envelope Q350 had been previously opened and resealed.

The signature on Q351 is not at all comparable with the signatures on Q233 and Q235. There is no handwritten signature on Q353.

It is pointed out that specimens Q232, Q233, Q234 and Q235 were previously submitted for examination, the results of which have been previously reported. The following is a description of these items:
