Dear Sylvia:

As always, many thanks. I'll get the book from the library of Congress and shall look forward to reading it.

I have fallen heir to much information on David Ferrie. Several things are new to me:

1. Ferrie and Martens were very close to Arcacha-Smith, Banister & Co.
2. Ferrie and George Piazza (later killed in plane crash) were close friends.
3. Ferrie was violently anti-JFK.
4. Ferrie had access to a plane in Houston in 1963. (Whose?)
5. Ferrie did not fly Marcello back from Guatamala.
6. Although Ferrie was primarily homosexual, he did pursue women; one example was Layton Marten's mother.

All very interesting but I don't know if it leads anywhere.

Thanks, again, for the help.

Best regards,

Bernard Fensterwald, Jr.
