Dear Bud,

Further to your recent request for documents on the investigation of the death of Dag Hammarskjold, I ran across a book in the public library which might interest you. It is The Mysterious Death of Dag Hammarskjold by Arthur L. Gavshon, Walker & Co., New York, 1962. It appears to be a highly detailed, responsible examination of all the circumstances and the known evidence.

Kind regards,

Yours sincerely,
