Dear Sylvia:

I am sorry to trouble you, but I thought you might be able to help me with a United Nations "problem".

If possible, I wish to obtain a copy of the United Nations reports on the deaths of Dag Hammarskjold and Patrice Lumumba. I don't know if these reports are classified or not. If not, could you possibly tell me where to obtain a copy of each.

I am also interested in knowing whether the U. N. has taken any official notice of the deaths of Stevenson, Kasavubu, Tshome, or Mboya. If so, is there anything in writing and could you point me toward it?

To ease your mind, this request is not directly connected with or concerning the Committee To Investigate Assassinations. I have a personal collection of material on strange deaths of important person-ages. Any assistance will be a great help and very much appreciated.

With kind regards,

Sincerely,

FENSTERWALD, BEVAN AND OHLHAUSEN
