Dear Sylvia,

Could you tell me where I might find a brief
day-by-day chronology of LHO's whereabouts
according to the Warren Commission? Someone
(maybe the Commission) must have pieced it
together.

Many thanks a diap

reply

Dear Bud: Sorry, there is no day-by-day chronology. I have always used as the basic
chronology of Oswald's locations and activities the "Biography of LHO" in Appendix XIII
of the GPO edition of the WR (pp. 669-741), with corresponding footnotes, since there are
certain cunning misrepresentations and omissions, as discussed in Accessories (e.g., date
of flight London to Helsinki). Also, have at times found it helpful to refer to
Appendix XIV, the Analysis of LHO's Finances June 1962 through November 1963.
An outline of his day-by-day whereabouts could probably be prepared without too much
difficulty from Appendix XIII, if you are interested only in location as such and if
you are vigilant for indications of misleading assertions.

My out-of-print Subject Index, now available again (see enclosed "Notice")
includes listings for LHO's activities October/November 1963, 11/21/63, 11/22/63 before
noon, and 11/22/63 from 12:30 to 1 p.m. listing in each case relevant testimony and
documents in the 26 volumes.
