Dear Sylvia:

Now that the case in New Orleans has gone as you predicted, our work not only becomes more difficult but more important. There is really no need for me to comment on this in any detail.

In a few days I will be sending you a copy of the pertinent parts of the proceedings here with respect to the autopsy photos and X-rays. I believe you will find these both interesting and significant.

As to Tony Geiss, that brand of television may be educational but it certainly is not hysterically funny.

Every best wish.

Sincerely,

Bernard Fensterwald, Jr.
