Dear Miss Meagher:

In view of your interest in the Warren Report, I thought the enclosed compilations might be of use.

The first contains a cross index between Commission Documents and Commission Exhibits, showing the location and availability (or unavailability) of the 1555 documents in the 26 volumes accompanying the Report and/or ⁱⁿ the National Archives.

The second is a numerical listing and identification of the 254 documents still being withheld from the public as of this date.

Sincerely,

Bud Fensterwald
