GOVERNOR

Dear Sylvia:

As it stands now, I do plan to be in New York City the last week of July, possibly a few days before the last week - 20th - 21st... Please answer the following questions for me.

If I were going to go to your apartment at 302 W. 12th, which would be the most convenient airport? LaGuardia or JFK?

If I were at your apartment on W. 12th, how would I start, by bus, taxi, train, etc..., to get to Fire Island? And, how long does the trip take?

If I started to Fire Island from the airport (the one you designate as most convenient), how would I make that trip?

What kind of clothes should I bring to visit Fire Island? Shorts, slacks, dressy things, sports clothes, bathing suit?

If you receive these questions within the next week (prior to July 6th) you might return your answers to my apartment in Austin (your last letter took 6 days to arrive from the date of the postmark on the envelope). Otherwise, just send it to 4406 Holland, Dallas 75219, as I will probably be there before the answers arrive.

I have several things to take care of in New York before I can come on to Fire Island. It is possible I can take care of all of them in a day or two, and yet it might take as much as a week. I shall definitely call you from New York City when I get there...

Love,
