

Sylvia Dear ~

Thursday A.M.

11/10/66

A word of profound
thanks for your invaluable
assistance + kindness to Joe.

I'm rushing out to a
commitment & haven't time to
write a proper letter, for now.
But thought you'd be interested
in the enclosed. NOTE: the
intelligent response from the
Conservative Republican (will
surprises never cease?!) and
the garbage from the "liberal".
No reply, as yet, from the others.

More later.

Much love, Maggie
